In response to the RFAI dated April 09,2013 for the Amended 30-day post general report, this committee further responds to inquiry #2 as follows: First, duplicate 24-hour reports were filed on October 24, 2012, at 10:46 and 11:18, containing the same 3 transactions which are noted in the RFAI. The original report number is FEC-824810, and the accidental duplicate is FEC-824854. In addition, the \$13,656.49 expenditure filed in this report (FEC-824810 and duplicate in FEC-824854) was part of an overall expenditure reported on Schedule E of \$38360.97, reported in full the following day on FEC-827727, thus creating the additional duplicate item for \$13,656.49 identified in the RFAI. FEC-827727 was timely filed with respect to the activity occurring on, and reported on, the prior day in FEC-824810. Thus, the \$13,656.49 reported on FEC-824810 should not have been reported there, and was correctly reported as part of a larger payment on Schedule E and on FEC-827727, and FEC-824854 should never have been created at all (duplicate).
